UnitedStar Industrial Group Limited

ABOUT US

UnitedStar has more than 11 years experience in home appliance product development. At present, UnitedStar has a perfect internal structure and has passed the ISO9001 quality system of nearly 30,000 square meters of plant, which includes six workshops of hardware, motor, injection molding, net cover, and final assembly. United Star has the most advanced domestic R290 mobile air conditioning production line, as well as an enthalpy difference laboratory. We have 1133 kinds of products, among them, 82 have their property rights. We mainly produce portable air conditioner, air cooling fans, electric fans, ceiling fans, rechargeable fans, solar fans, and BLDC motors. The group has its own freight forwarding company and has more initiative in trailer and sea transportation.

At present, United Star has six registered trademarks, more than 30 product patents, GS/CE/CB/SAA/RoHS/SASO/CCC, and other certificates. United Star has six R&D engineers, an average of 13 new products are developed every year. Our products are exported to 126 countries, we wholeheartedly for customers to provide OEM and ODM services, have cooperated with famous enterprises at home and abroad, such as French Carrefour supermarket, German Lidl supermarket, Indian Orient company, and so on. Since 2019, the sales growth rate of our own brand United Star in the global market has exceeded 250% for three consecutive years. Meanwhile, we have cooperative assembly bases in Indonesia, Tunisia, Mexico, Nigeria, and other regions.

"To be a reliable environmental appliance service provider to meet the needs of global customers to improve the environment" is our persistent goal.
